PILLARS OF FORMULA QUATTRO

involved in all skincare products granting maximum results and an unforgettable sensory experience.

Our products are infused with natural and powerful ingredients that work to rejuvenate and revitalize your skin, leaving it looking healthy and radiant.

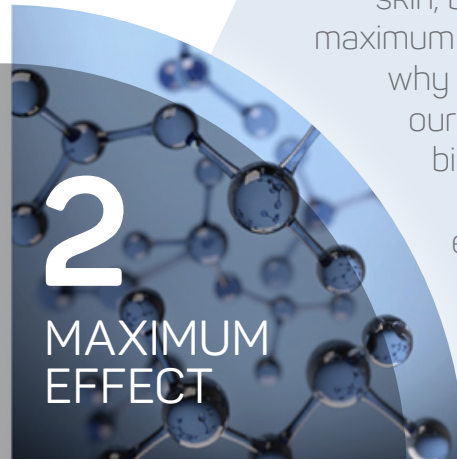

1

BIO
REVITALIATION

EFFICIENCY

We are convinced that skincare products should not only feel good on your skin, but also deliver maximum results. That's why we've fortified our products with biotechnological complexes to effectively address a range of skin concerns.

2

MAXIMUM
EFFECT

3

SOFT TEXTURE

We know that a product's texture is just as important as its efficacy, so we developed a formula that glides on smoothly and leaves your skin feeling soft and supple.

4

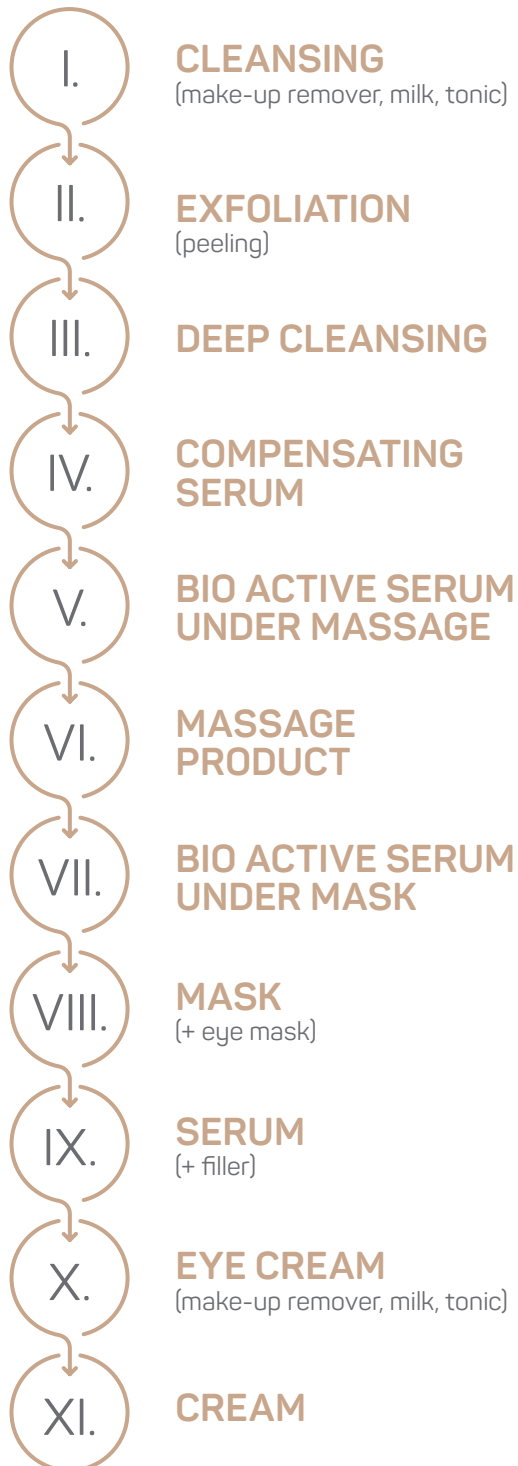

FRAGRANCE

SENSORY
EXPERIENCE

We believe that taking care of your skin should be a sensory experience. Our products are infused with hypoallergenic, natural fragrances that awaken the senses.

TWO TYPES OF TREATMENT

TO ENHANCE THE SIGNIFICANT EFFECT ON THE SKIN

1. INDIVIDUAL CARE

BIO ACTIVE

**powerful boosters for
tailored-made care**

Bio Active serums can be mixed and matched to create a customized skin care routine in the salon and at home that addresses specific skin imperfections and delivers maximum results.

OUR HERO LINE

2. INTENSIVE TREATMENT

CLINIC

**non-invasive high-tech
cosmetic care**

Highly concentrated boosters offer innovative solutions for treatments with devices ensuring deep skin penetration and cellular bio-revitalization for outstanding results.
